"DISCRIMINATING"

Discrimination is another synonym for sound judgment. A successful life is a series of discrimination, weighing one thing against another. Why you should advertise in the classified section of The Sun and New York Herald is told in the following letter:

THE SUN AND NEW YORK HERALD,
Herald Square, New York City.
The advertisement I inserted in your Furnished Room column has proved very satisfactory and productive of results.
I was not aware that any New York newspaper catered to such a superior and discriminating class of people as The Sun and New York Herald does. Needless to say I am very appreciative of this service. Yours truly,
W. B. DRUGAN. W. B. DRUGAN, 302 West 121st St.

If the above letter represented an isolated view it would not be so important. But representing as it does, an almost universal belief it is very significant. Be discriminating. Use The Sun and New York Herald for your classified advertising.
